OFFICE OF THE PRESIDENT

March 30, 1990

TO: All Participants in the 1990 National Debate Tournament:

With much pleasure I extend a very cordial welcome to all Tournament participants on behalf of West Georgia College. All of us associated with West Georgia College wish for every one of you a pleasant and eventful Tournament.

Dr. Chester Gibson, Chairman Department of Mass Communication/Theater Arts, has been a long-time participant in these tournaments, and it is largely through his efforts that you have come to Carrollton, Georgia, at this time.

Dr. Gibson and his colleagues in the Department of Mass Communication have worked diligently to make this tournament successful in every way. We hope your stay is pleasant and eventful.

Sincerely,

Maurice K. Townsend
President

March 28, 1990

Dear Students, Coaches, and Guests at the National Debate Tournament:

It is my very distinct pleasure to welcome each of you to the Forty-fourth National Debate Tournament, and to extend that welcome on behalf of the American Forensic Association.

To those of you who are students, your participation in this Tournament is testimony to the excellence you have displayed in intercollegiate competition. You have demonstrated your command of both the inquiry and advocacy so essential to success in this activity. To those of you who are coaches and judges, your participation reveals the commitment to education so necessary for this activity to continue. The time and energy spent improving the skills of your students, the effort and impartiality displayed in critiquing individual debates, and the personal and professional sacrifices incurred through your long hours of coaching, judging and travel are all components without which intercollegiate debate would falter. And, finally, to those of you who are involved in this tournament in other ways--as tournament staff, administrators, even observers, your participation demonstrates nourishment from beyond the "core." That nourishment is a necessary and appreciated element of the success and continued vitality of this activity. Your encouragement and support, even appreciation, for the efforts of those competing now provides the connection to a richer, deeper tradition of public argument that extends for two and half thousand years into the past.

The American Forensic Association has as its organizing principle the commitment to fostering forensic theory, education and practice. This Tournament is an integral component of that commitment, and your participation is welcomed, applauded, and appreciated. May each of you have and hear the kind of debates illustrative of the excellence for which this Tournament stands, and may your experiences while here further enrich your commitment to public advocacy.

Cordially,

A handwritten signature in black ink that reads "Bill Balthrop". The signature is fluid and cursive, with a large initial 'B'.

Bill Balthrop, President
