To the Participants of the 79th National Debate Tournament:

It is a pleasure to host the 79th National Debate Tournament here on the University of Utah campus. This University has a proud tradition of participation in collegiate debate and in the valedictory tournament. Twenty-five years ago, we enjoyed the privilege of hosting that same tournament on our campus, and it is an honor to have you representative of so many respected state universities and colleges on our campus once again.

Intercollegiate debate has been known as an arena where the skills of critical thinking, ethics, and issues of public concern and practicing an argument with clarity and persuasion were revered. The continuation of such a tradition of deliberation is important and necessary.

On behalf of the University community, I extend to Dr. Rebecca S. Break, Director of Forensics, and her colleagues for their efforts in providing what I know will be an outstanding tournament for those of you participating as students and as faculty advisors. The commitment and effort you have already shown and I look forward to joining you on Thursday evening.

Sincerely,

J. Bernard Marden

To the NDT Participant, Coaches, and Judges:

It is an honor to welcome you to the 79th National Debate Tournament as part of the American Forensic Association. While we represent AFA to the present of professional debate as a forum, the heart of our mission remains promoting the NDT and NDT. Our wish is that the experience you have been an enjoyable and rewarding experience.

Your participation in this tournament is an acknowledgement of your achievements. This is not only for your enjoyment, but also for your dedication to debate. The NDT offers a unique opportunity for the win-loss aspect is not the only factor; it is a positive life-long experience.

In addition to the tournament’s relaxation and rhythm, a significant portion of the learning process must be in the committee. Two available options are available: first, I would like to extend my congratulations to all of you. I believe every year, a privilege it is for us the university to host the debate.

I would like to extend my congratulations to all the universities participating and their respective debate teams. I am excited to see the diversity and the spirit of the debaters. The National Debate Tournament began at the United States Military Academy in 1947. It was organized and conducted by the academy at West Point for its first twenty years. Initial tournament rules were determined by the West Point Administration in consultation with debate coaches such as A. Craig Baird of the University of Iowa, G.M. Musgrave of Des Moines, Alan Nichols of USC, E.R. Nichols of the University of Redlands, and Joseph O'Brien of the Pennsylvania State University.

At the first tournament in 1947, 29 colleges participated in five "seeding" rounds and four elimination rounds over a three-day period. Some of the features of the tournament were that no school would meet a school within five hundred miles of itself during the seeding rounds and that no coach would judge a school from his or her own district. Many traditions were started at West Point that year, some of which still remain today: the "big board," oral announcement of round pairings, cadet escorts for each team, teams for each debate meeting under banner of the affirmative team, and team signs in the rooms.

In 1967, the National Debate Tournament entered a new era as the American Forensic Association, the national professional organization of forensics educators, assumed responsibility for the tournament. The NDT was moved from West Point and has been hosted by a different school ever year since, although three schools (West Georgia, Miami University of Ohio and the University of Utah) have hosted it twice. Control of the tournament became the responsibility of a national committee elected by those schools supporting the tournament. As debate has developed in recent years other refinements have been added to the tournament: the 10-minute preparation time rule, elaborate procedures for assigning judges, judge qualifications and published critiques of the final debate. Over the years, the tournament has expanded in size, with various procedures used for selecting the participants.

In the early days, teams were chosen by district nominating committees. This method was replaced by some form of qualifying tournaments in most districts. For the first 20 years of NDT competition the tournament host and previous year’s winner received automatic invitations. Post-district at-large bids were initiated in 1968, and pre-district bids in 1971. Since 1970, it has been possible for a school to qualify as many as two teams for the NDT. Beginning in 1992, up to six schools can qualify a third team.

The 52nd National Debate Tournament is sponsored by the American Forensic Association with support from the Ford Motor Company Fund. The NDT is also indebted to Mr Sigurd S. Larmoy (1891-1987) for donating the rotating Larmoy Trophy, emblematic of the national debate championship; to Mr. and Mrs. George Walker for donating the rotating second-place Walker Memorial Trophy in memory of their son; to Mr Robert Feldhake, top speaker in the 1976 NDT and now an attorney in Los Angeles for donating the Wayne Brockriede Top Speaker Award; to District IX for donating the rotating Top Speaker Trophy; the Copeland Family for donating the Rex Copeland first Team At-Large Trophy; and to Civid R. Davis/West Georgia College Championship Coach Award.

The NDT entered the second half of its centennial firmly implanted in the electronic revolution. Liberty University revolutionized the NDT with the first electronic Big Board. Corporate sponsorship enabled more amenities, such as Liberty's Media Center, a tradition continued by Utah in 1998. Utah's contribution to the electronic age of the NDT is the first host website, providing links to local networks of information about Salt Lake City, the state of Utah, and the University itself. Directions to campus from hotels, and parking on campus:
From the two tournament hotels downtown (the Olympus & the Quality Inn) head east on 600 South (east is toward the Wasatch mountains, heading away from the airport; 600 South is the road dividing the two hotels). Two blocks ahead, turn left on State Street. Two blocks ahead, turn right on 400 South. Follow this road all the way up the hill, passing many fast food joints along the way, until you arrive at 1300 East, where you will turn left. Go four blocks, and turn right on 100 South. Follow it all the way up the hill; take a big curve to the left, and a big curve to the right. After these curves, take the second possible right turn (onto Central Campus Drive), and follow the blue “Visitor Parking” signs. When the road splits, the first building you see on your right is Olpin Union. A bit further ahead on the road, you will see the entrance to the Visitor Parking Lot on your left. Friday it will cost $5.00 to park there for the whole day. Saturday and Sunday there is no charge. Walk into the main entrance of Olpin Union, and straight ahead you will find the Ballroom, the gathering place for announcements.

Competition rooms are located in two buildings near Olpin Union. Orson Spencer Hall (OSH) is located directly across the street from the entrance to the Visitor Parking lot, just south of Olpin Union. The Business Classroom Building (BuC) is directly south of OSH, and a bit west (down the hill). If you exit the West facing doors of OSH, on the opposite side of the building from the Visitors Parking lot, and turn left down the sidewalk you will head directly towards the Business Building (the sign says David Eccles School of Business.) Debates will be in the Classroom Wing of the building.

Smoking is strictly prohibited in all buildings. Please assist us by smoking outside, and by using the ashtrays situated at the main entrances to each building.

Please assist us in keeping competition rooms clean! Each classroom has at least one trash can; please use them.

Ballot Tables are centrally located in the lobby area of each building. Please turn in white forms before beginning your oral critique of the debate you are judging.

Evidence Storage is acceptable in your competition room at the end of each day’s events. Do not leave valuables in competition rooms, however. Teams competing in the octafinal round may store their evidence Sunday night in the Timpanogos Room of the Olympus Hotel.

Lunch is available for individual purchase in the lower level of Olpin Union. A variety of fast and hearty foods is available. Fast food options are also available on the edge of campus, near the corner of 1306 East and 200 South. We will provide breakfast each morning in the Ballroom, as well as light refreshments on Saturday afternoon in the Ballroom.

The Research Center, located in the Sallair Room on the main level of Olpin Union, is just down the hall from the Ballroom. This room is available from Friday morning until Sunday evening. Work tables and a photocopy machine are provided for the entire tournament free of charge. Please use great care in using the photocopy machine, since weekend service calls for the machine are very limited. Twenty-five computer work stations have been provided for schools who have reserved and paid for part of the cost of providing them.

High-Volume Photocopy Service Stores are located near campus at:
- Kinko's, 200 S. University Street (1 block east of 1300 East), 583-3480. Open 24 hours.
- Alpha Graphics, 273 South 1300 East, 582-8282. Hours: M-F 7:00 am-Midnight; Saturday 8:00 am-6:00 pm.

Team Photographs will be taken Saturday afternoon, between rounds five and six. Please proceed in a timely fashion after the conclusion of round five to the Union Ballroom to have your photo taken for the post-tournament booklet.

The local telephone number for Lexis-Nexis is 486-8717.

Marriott Library is located directly west of Orson Spencer Hall. Since the University of Utah is on Spring Break during the tournament, the hours are limited, but you are free to use the library when it is open. Hours are: M-F 7:00 am-6:00 pm; Saturday 1:00 pm-5:00 pm; Sunday closed.
COMMUNITY INFORMATION

TRANSPORTATION
Salt Lake City's ground transportation system is under construction. The rebuilding of Interstate 15 (the largest public works project in North America) and the construction of light rail through the downtown area mean that it's advisable to keep current on intersection and roadway closures.

Downtown closures expected during the tournament:
- Main Street between 100 South and 500 South
- Main Street between 600 South and 700 South
- Intersection of Main Street and 200 South
- Intersection of Main Street and 300 South

There is convenient bus service to the University from most parts of the city, provided by the Utah Transit Authority.

REX COPELAND AWARD: 1990-97

On September 21, 1989, the life of Rex Copeland was brought to a sudden and tragic close. With its end Samford University lost an outstanding student; the forensic community lost an excellent debater and friend.

It is in recognition of his rare professional and personal qualities which Rex offered, Samford University, together with his parents endowed a permanent award in his name. The Rex Copeland Memorial Award is presented annually to the collegiate debate team ranked “Number One” in the First Round, At-Large team selections.

This award is for the few who achieve one of the highest honors in the debate community, so that they too will be well remembered.
