OFFICE OF THE PRESIDENT

November 18, 1980

To the Coaches and Debaters in the Dixie Classic
Debate Tournament:

The Dixie Classic Tournament has become a regular milestone in the Wake Forest calendar. This is the silver anniversary of an event which is coterminous with the "new" Wake Forest campus. We occupied these acres in 1956, and the current session is therefore the twenty-fifth in the pleasant city of Winston-Salem.

Debating has been a formal part of the University's program since the school was founded as Wake Forest Institute in 1834. For more than a century, the highest intellectual activity on the campus was centered in the work of the Philomathesian and Euzelian literary societies, but in the years since World War II the national forensic groups have been the chief vehicle for intercollegiate competition.

You compete in a discipline that demands creative intelligence and rigorous self-control. I salute you, with the hope that each of you may strengthen your powers of persuasion, and that your visit here may be stimulating and enjoyable.

Faithfully yours,

James R. Scales
President

Dear Debaters and Coaches,

Thank you for being a part of our twenty fifth anniversary celebration. We are proud of the Dixie Classic's reputation as one of the finest debate tournaments in the nation.

While you are with us, we hope that you enjoy our southern hospitality and the stimulating challenge of good debate.

Sincerely,

FRIENDS,

We would like to extend a special welcome to the 25th Anniversary "DIXIE CLASSIC DEBATES." Your participation has assured a celebration highlighted by the finest competition in the country.

The Wake debaters and staff are proud of the long tradition the tournament represents and are working very hard to make your stay a pleasant one.

In addition to the excellent competition, we think you will find the banquets on Saturday and Sunday evening fine examples of Southern cooking. On Monday morning, we hope you will join us for a continental breakfast before the elimination rounds. The coaches and judges are invited to gather with us on Saturday and Sunday evenings for post-debate relaxation.

We also would like to take this opportunity to thank you for the hospitality Wake has received when we visited your campuses. We hope our brand of Southern hospitality makes the 1980 Dixie one that will set a precedence of excellence for the next twenty-five years.

Sincerely,

Allan Louden
Director of Forensics

TWENTY-FIFTH ANNUAL DIXIE CLASSIC DEBATES

WAKE FOREST UNIVERSITY

November 22-24, 1980

GENERAL INSTRUCTIONS

1. Pairings for all preliminary rounds will be distributed in the lobby of Tribble Hall. Rounds 1 and 2 will be randomly paired. Rounds 3 through 8 will be power-paired using a number of methods (straight power, powered within brackets, median splits, inverse power, divine inspiration, etc.). Octa-finalists will be announced at the Sunday Banquet or posted in the Holiday Inn.
2. Each team in each round will be allowed a maximum of ten minutes total preparation time between speeches. When the ten minutes has expired for a team, additional preparation time will be subtracted from the team's remaining speeches. Since we cannot in all cases provide time keepers, we ask judges to assume responsibility for administering the ten-minute rule.
3. We must keep the tournament on time. Our banquets and pairings depend on this. Rounds will start when posted. Late return from lunch is not an acceptable excuse for being late for a debate (and listening to your coach's instructions is even less acceptable).
4. Do not move any furniture from one room to another. Most rooms are reasonably well-equipped --but in any case, use only the furniture already in the room.
5. Please do not smoke in the classrooms in Winston Hall or in the Law School. If you must smoke in other buildings, please do not put ashes or cigarette butts on the floor. Ashtrays are available from the table in Tribble Hall.

We realize that rules 4 and 5 may not be popular; however, our continued use of these facilities is contingent upon them. Please help us to continue to run debate tournaments at Wake Forest. We do mean this.

6. Speaker's awards will be determined on the basis of total speaker points for six rounds -- the highest and lowest rounds for each speaker will be disregarded. Ties will be broken by: (1) middle four rounds (drop two highest and two lowest speaker points), (2) total (8 rounds) speaker points, (3) total speaker rankings, (4) team win-loss record, and (5) whatever method seems appropriate after all else fails.

GENERAL INSTRUCTIONS (continued)

7. The sixteen teams making the octa-final round will do so on the basis of win-loss records. Ties on record will be broken by: (1) total adjusted (6 rounds) speaker points, (2) speaker points -- middle four rounds (drop two high and two low), (3) total (8 rounds) speaker points, (4) strength of opposition, and (5) total speaker rankings. Teams will be bracketed in the octa-finals in the usual manner: 1 vs. 16, 2 vs. 15, etc. If two teams for the same school meet, they may choose either to debate or to select a team to advance. Brackets will not be broken.
8. All teams needing transportation to an airport must contact Allan Loudon or Bill Evans no later than the Sunday buffet dinner.
9. If troubles arise, please report them immediately to extension 5267, or speak to the building chairman.
10. For those who do not have cars, we will provide transportation to and from campus. The shuttle service will begin at 8:00 AM Saturday and 7:30 AM Sunday and Monday mornings. We ask that you be ready to leave from the front door of the Holiday Inn North.
11. All copies of all ballots must be returned to the tournament headquarters prior to the awards assembly. Hired judges will not be paid until all ballots are turned in. Coaches will not be able to pick up their teams' packets until their own ballots are in.
12. Participants in the final round (debaters and coaches) and the final round judging panel will be our guests for dinner immediately following the semi-final round.
