

FRANKLIN R. SHIRLEY CLASSIC 2007 – INFORMATION SHEET

- Be sure all of your teams and coaches have read this memo.
- No food and drinks other than bottled water in classrooms – no exceptions
- No movement of furniture out of or into classrooms – no exceptions
- Keep rooms clean after every debate

START ROUNDS ON TIME

The schedule is designed to work. Pairings will have the real start time. Teams and coaches will be given 20 minute and 10 minute pre-round warnings. *Judges must leave coaching and go to their rounds 10 minutes prior to start time.*

TOURNAMENT UPDATES

Check eDebate, Twitter (see eDebate post from Ross on Thursday for info), the pairings, ballot desks, and the Wake Debate website (<http://www.wfu.edu/~debate/> - click on Franklin R. Shirley Classic). The main ballot desk and tournament info is in the lobby of Carswell.

HOSPITALITY – COFFEE, DONUTS, BAGELS, WATER, ETC.

These hospitality items will be available in the following buildings: Carswell, Tribble, Kirby/Manchester, and Miller. Greene, Benson, the gym/Miller Center, and Wingate do not due to our agreements for the use of these buildings. There is a Starbucks located in Benson and the bookstore (located on the upper quad).

MEALS – LUNCH & DINNER

Saturday lunch and dinner are on your own. For Saturday lunch, try the food court in Benson or The Pit in Reynolda (all you can eat buffet). Sunday lunch is provided in the courtyard between Tribble and Benson. Sunday dinner is a banquet in The Pit (Reynolda Hall).

EV STORAGE/ROOM MOVING FOR DAY 2

You can store your evidence on Saturday night in your round 4 room UNLESS you are in Benson – there are no debates in Benson on Sunday. No debates in the gym/Miller Center after round 6 – we will help move your evidence (see “On-Campus Transportation”). The top records will debate in Carswell, Greene, and Tribble (in that order).

ON-CAMPUS TRANSPORTATION

Evidence and judging shuttles will help moves to distant buildings – ask your ballot desk where to wait for the van.

2:45 DECISION RULE

Prelim rounds must be decided within two hours and forty-five minutes of the posted start time of the debate. NOTE: this is the *posted* start time, NOT the *actual* start time. The tab room will flip a coin to determine the winner when the judge cannot decide in time.

FRANKLIN R. SHIRLEY CLASSIC 2007 – INFORMATION SHEET

SCOUTING

Wake Debaters will be scouting debates and posting the caselist information on the tournament wiki (<http://opencaselist.wikispaces.com/>). Please help the debaters by sharing electronic versions of your 1AC, etc. If you are judging or scouting, please share your information by posting it directly on the Wiki or e-mailing it directly to lacyjp@wfu.edu and shirleyscouting@gmail.com. All debates are open to the public and observers are free to use audio or video recording of the debates for their own personal use and for inclusion in tournament caselist and scouting media.

WIRELESS ACCESS

Campus wireless is easy and requires no password. If the hotel wireless is slow and/or crashing (particularly Friday night), feel free to come on campus and use the wireless in Carswell. If you are entering campus after 10 pm, tell the officer at the gates that you are with the Franklin Shirley Debate Tournament.

PARKING

Park in any spot that is not “handicap” or specially reserved. Faculty/staff spots are fine.

FRANKLIN R. SHIRLEY CLASSIC 2007 – DRIVING DIRECTIONS

From Sundance to Wake Forest

Exit Sundance to the street with traffic light (Bonhurst) by IHOP, turn left on University Parkway. Stay left where it splits. Wake is on the left about 1/2 mile.

On WFU Campus

To Miller: make your first left on campus toward the Museum of Anthropology, then turn to the right, then left at fork.

To Carswell and other Mag Quad buildings: Proceed to stop light (Wingate Rd.), turn left.

Kirby/Manchester, Greene, and Carswell are the 3rd, 4th, and 5th buildings on the right, respectively. Turn right onto Gulley Dr. for Carswell loading dock and then back of Tribble (next building on the right). Continue in a circle on Gulley, staying to the right to drop off at Benson. Otherwise, you can go left after Tribble and take the one-way that is Memory Lane back up toward the parking lots. There are parking lots adjacent to Carswell Hall which will be the best place to park.

The 100 Speaker Point Scale

DO NOT use half points (or other decimals). *Whole numbers only.*

DO NOT just replace the tens digit (28 on the old scale is NOT 98 on the new one).

DO NOT worry – we do drop high lows, and your points will likely be as “right” as anyone else’s.

DO look at the picture and read the basic info to guide your assignment of points.

The picture above is just a sketch, but it does suggest a correspondence

The picture shows the following:

The old scale does NOT map linearly – gaps of 0.5 points on the old scale are not uniformly the “size” of 5 point gaps on the new. The “distance” between the old 27 and 28 is greater than 10 points, while the “distance” between 29 and 20 is less than 5 points.

Most debaters at our tournament are in the range between the high 70’s and low 90’s.

For the more verbally inclined:

Think of grades. 90% and above is an A. 80-90 is a B. Assume you are a very kind professor who will give mostly A's and B's and does not want to buck the grade inflation trend (it is unfair to do so since it punishes students relative to their peers merely for having you as the prof., not for the quality of their work).

We have a national tournament with a limited field, so most of the students will be A and B students.

I suspect there are more B students than there are A students (bell curves being what they are). You might usefully think of the A students as the ones that debate well enough that they are likely in the top third of the field.

It should be no source of shame to a student to get a B. A B+ might be saying you are close to getting there.

For those who like to think in other terms, maybe this will help (just a *rough* guide):

95-100 – No doubt top notch, hard to be much better.

90-95 – Really good, highly effective.

85-90: Powerful but not extraordinary. Workmanlike break round style.

80-85: Good stuff, but missing what it takes to break into the top national level.

75-80: Decent. More than one area needs improvement.

70-75: Struggling. Probably bravely and nobly, but struggling nonetheless.

Open 24 hours you can walk to

IHOP (you can see it and know what it is . . .)

. . . and **Jimmy the Greeks** – walk past IHOP and Putters, cross street into little strip shopping center. Diner-style breakfast food.
